HR 60 - ADOPTED

(by Branch)

Representative Branch moved to suspend all necessary rules to take up and consider at this time **HR 60**.

The motion prevailed.

The following resolution was laid before the house:

HR 60, Congratulating Dr. Charles L. Branch, Sr., and Sylvia Lee Boswell Branch on the occasion of their 60th wedding anniversary.

HR 60 - REMARKS

REPRESENTATIVE BRANCH: I think this may be the only time I've passed a resolution that involves family members. And I wanted to honor my parents for six decades of marriage, which is fairly unusual, and specifically putting up with me and my four other siblings, and now 18 grandchildren and one great grandchild and one on the way. But, it is fairly unusual and remarkable, and

they've been—obviously without them I wouldn't have had a chance to serve in the house. And so, I appreciate the indulgence of the body and appreciate the speaker and the clerk for giving us the unusual number of **HR 60** when there haven't been that many resolutions in this third called session. And I'm grateful to the governor for calling the third session so that we had a chance to honor them, and I know some of us might have some reservations about being here, as does the current author of this resolution, but I'm grateful for the one serendipity to recognize my parents.

REPRESENTATIVE RAYMOND: Mr. Speaker, before I move to add all members' names, I just want to thank Chairman Branch for his service in the house, and for always remembering that if you're going to serve here, then people need to know to "Come and Take It."

BRANCH: Thank you, Mr. Raymond. And you being at the back mic reminds me that one of the nice things in addition to being able to, with many of the colleagues here, pass a moment of silence in the schools and giving our schoolchildren the chance to pray and say the Texas and U.S. pledge, which was something this legislature did 10 years ago. But also, working together with you, we got to put "In God we Trust" over the top of the chamber. So, it's been a real pleasure and honor to serve with you and all the members here, and I look forward to perhaps a chance to serve in another capacity.

HR 60 was adopted.

On motion of Representative Raymond, the names of all the members of the house were added to **HR 60** as signers thereof.

HB 1 - RULES SUSPENDED

Representative Pickett moved to suspend all necessary rules to call up **HB 1** with senate amendments before it is eligible.

Senate Committee Substitute

CSHB 1, A bill to be entitled An Act relating to transportation funding, expenditures, and finance and the preservation of a sufficient balance in the economic stabilization fund; making an appropriation.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Subchapter A, Chapter 222, Transportation Code, is amended by adding Section 222.0031 to read as follows:

Sec. 222.0031. REQUIRED REPAYMENT OF BONDS. (a) On or before August 31, 2015, the department shall identify and implement savings and efficiencies that result in a total savings of at least \$100 million in funds appropriated to the department for the state fiscal biennium ending August 31, 2015. The amount saved is appropriated for the state fiscal biennium ending August 31, 2015, to the department from the source from which the money was originally appropriated for the purpose of reducing the principal of and interest on bonds and other public securities issued, and bond enhancement agreements entered into, by the commission as authorized by Section 49-n, Article III, Texas Constitution, as proposed by H.J.R. 28, 78th Legislature, Regular Session, 2003.

(b) To make payments required under Subsection (a), the department:

(1) shall maximize the use of all amounts appropriated to the department;

(2) may use savings realized through operational efficiencies, cost reductions, and cost savings; and

(3) may not reduce the amount of funding available for transportation projects.

(c) Not later than August 31, 2015, the department shall report in writing to the legislature on the implementation of this section.

(d) This section expires September 1, 2015.

SECTION 2. (a) Chapter 316, Government Code, is amended by adding Subchapter H to read as follows:

SUBCHAPTER H. PRESERVATION OF SUFFICIENT BALANCE IN
ECONOMIC STABILIZATION FUND

Sec. 316.091. DEFINITION. In this subchapter, "fund" means the economic stabilization fund.

Sec. 316.092. DETERMINATION OF SUFFICIENT FUND BALANCE.

(a) Not later than September 1 of each even-numbered year, the speaker of the house of representatives and the lieutenant governor shall appoint a select committee as follows:

(1) the speaker of the house of representatives shall appoint five members of the house appropriations committee as members of the committee; and

(2) the lieutenant governor shall appoint five members of the senate finance committee as members of the committee.

(b) For the purposes of Section 49-g(c-2), Article III, Texas Constitution, not later than December 1 of each even-numbered year, the select committee shall determine and adopt for the next state fiscal biennium a sufficient balance of the fund in an amount that the committee estimates will ensure an appropriate amount of revenue available in the fund. In determining the sufficient balance for that fiscal biennium, the committee shall consider:

(1) the history of fund balances;

(2) the history of transfers to the fund;

(3) estimated fund balances during that fiscal biennium;

(4) estimated transfers to the fund to occur during that fiscal biennium;

(5) information available to the committee regarding state highway congestion and funding demands; and

(6) any other information requested by the committee regarding the state's financial condition.

(c) On or before October 1 of each even-numbered year, the comptroller shall provide to the select committee the comptroller's projection of the amounts to be transferred to the fund during the next state fiscal biennium.

(d) The sufficient fund balance adopted by the select committee under Subsection (b) may be adjusted by filing a resolution proposing that a different amount be adopted as the sufficient fund balance. The resolution must be filed not later than the 30th day of the regular legislative session that begins after the date the sufficient fund balance is adopted by the committee, and must be approved by a majority of the members of both houses of the legislature not later than the 60th day of that legislative session or the resolution has no effect. If the resolution is approved as provided by this subsection, the amount of the sufficient fund balance specified in the resolution is adopted and supersedes the balance adopted by the committee under Subsection (b).

Sec. 316.093. ADJUSTMENT OF CONSTITUTIONAL ALLOCATIONS TO FUND AND STATE HIGHWAY FUND. (a) Before the comptroller makes transfers for a state fiscal year in accordance with Section 49-g(c), Article III, Texas Constitution, the comptroller shall determine whether the sum of the balance of the fund on the preceding August 31, any projected transfer to the fund under Section 49-g(b) of that article, and any projected transfer to the fund under Section 49-g(c) of that article in accordance with the allocations for the transfer as provided by Section 49-g(c-1) of that article is less than the sufficient balance adopted under Section 316.092.

(b) If the sum described by Subsection (a) is less than the sufficient balance adopted under Section 316.092, the comptroller shall reduce the allocation to the state highway fund provided by Section 49-g(c), Article III, Texas Constitution, and increase the allocation to the economic stabilization fund, in an equal amount, until the sufficient balance adopted under Section 316.092 is achieved.

(c) If under Section 316.092 a sufficient balance has not been adopted for the comptroller to consider under this section, the comptroller shall adjust the allocation of amounts to be transferred to the fund and to the state highway fund provided by Section 49-g(c), Article III, Texas Constitution, so that the total of those amounts is transferred to the economic stabilization fund, except that the comptroller shall reduce a transfer made under this subsection as necessary to prevent the amount in the fund from exceeding the limit in effect for that biennium under Section 49-g(g) of that article.

(d) As soon as practicable after the effective date of this section, the speaker of the house of representatives and the lieutenant governor shall appoint a select committee in the manner required by Section 316.092(a), and that committee shall determine and adopt a sufficient balance of the fund applicable to the transfers to be made under Section 49-g(c), Article III, Texas Constitution, for the state fiscal year beginning September 1, 2014, and a sufficient balance of the fund applicable to the transfers to be made under that subsection for the next fiscal biennium. The comptroller may not make the transfers required under Section 49-g of that article for the state fiscal year beginning September 1, 2014, until the committee has adopted a sufficient balance under this subsection. However, if the committee has not adopted the balance before the 30th day after the effective date of this section, the comptroller shall make that transfer on the 30th day after the effective date of this section in accordance with Subsection (c). This subsection expires September 1, 2015.

Sec. 316.094. ALLOCATION OF CERTAIN AMOUNTS TRANSFERRED TO STATE HIGHWAY FUND. (a) Amounts transferred to the state highway fund under Section 49-g(c), Article III, Texas Constitution, when appropriated, must be used and allocated throughout the state by the Texas Department of Transportation consistent with existing formulas adopted by the Texas Transportation Commission.

(b) This section takes effect immediately on the final canvass of the election on the constitutional amendment proposed by the 83rd Legislature, 3rd Called Session, 2013, to provide for the transfer of certain general revenue to the economic stabilization fund and to the state highway fund and for the dedication of the revenue transferred to the state highway fund, but only if that amendment is approved by the voters. If that amendment is not approved by the voters, this section has no effect.

SECTION 3. (a) The speaker of the house of representatives shall appoint nine members to a House Select Committee on Transportation Funding, Expenditures, and Finance and designate one member as chair. The lieutenant governor shall appoint nine members to a Senate Select Committee on Transportation Funding, Expenditures, and Finance and designate one member as chair. The speaker and lieutenant governor shall make the appointments not later than November 30, 2013.

(b) The committees established under this section may meet separately at the call of the chair of the committee or jointly at the call of both chairs. In joint meetings, the chairs shall act as joint chairs.

(c) The committees established under this section, meeting separately or jointly, shall review, study, and evaluate:

(1) the future reliability of all current state transportation funding sources;

(2) alternatives that may increase available state funding for surface transportation, including an examination of increases to current surface-transportation-related funding streams and possible diversions of non-surface-transportation-related funding streams toward surface transportation funding;

(3) the use of debt financing in state transportation funding, including the uses of the Texas Mobility Fund, and the effects on long-term transportation planning of using debt financing;

(4) alternative transportation funding options in use nationally and internationally;

(5) current and historic appropriations to the Texas Department of Transportation, including:

(A) whether that agency's budget structure best maximizes the application of limited public funds toward highway maintenance and construction;

(B) whether there are opportunities to reduce the use of money from the state highway fund by that agency for activities not related to highway maintenance and construction, including such uses as employee salaries and benefits; and

(C) possible benefits of developing a budget for that agency for the 2016-2017 state fiscal biennium using zero-based budgeting principles;

(6) the uses of the state highway fund for agencies other than the Texas Department of Transportation, including and emphasizing the use of that fund for the Department of Public Safety of the State of Texas; and

(7) the original purpose of the economic stabilization fund established by Section 49-g, Article III, Texas Constitution, whether that purpose remains relevant, and whether it remains appropriate to continue using the net amount of oil and gas production taxes received in the 1987 state fiscal year as the basis for making general revenue transfers to the economic stabilization fund.

(d) Following consideration of the factors described by Subsection (c) of this section, the committees established under this section shall jointly adopt recommendations related to the reviewed subjects and shall provide a written report of the committees' recommendations on the reviewed subjects to the legislature not later than November 1, 2014.

(e) The committees established under this section may exercise any power of a committee of their respective chambers and any powers of a joint committee. For the purposes of this section, the committees established under this section are considered a joint committee and the cost of operation of each committee may be borne in the same manner as the cost of a joint committee. The Texas Legislative Council may provide funding for the operations of the committees. To the extent not inconsistent with this section, the joint rules adopted by the 83rd Legislature for the administration of joint interim legislative study committees apply to the committees established under this section.

(f) This section expires January 13, 2015.

SECTION 4. Except as otherwise provided by this Act:

(1) this Act takes effect immediately if it receives a vote of two-thirds of all the members elected to each house, as provided by Section 39, Article III, Texas Constitution; and

(2) if this Act does not receive the vote necessary for immediate effect, this Act takes effect on the 91st day after the last day of the legislative session.
